WISE ACADEMY NEWS

FIELD TRIP HIGHLIGHTS

On March 24th, WISE families traveled to the Geology Museum in Madison where they explored exhibits on rocks, minerals, and fossils from Wisconsin's past, including evidence of ancient oceans and early life. During a guided tour, they also viewed dinosaur fossils and other prehistoric specimens and participated in a scavenger hunt to find different rocks and artifacts throughout the museum. The trip was a fun and engaging way to explore Earth's history.

DESIGN CONTEST - MILWAUKEE BREWERS

In honor of **Jackie Robinson Day**, the Milwaukee Brewers are excited to invite students to participate in our Jackie Robinson Design Contest! This creative challenge encourages students to use art and storytelling to show how Jackie Robinson's legacy of courage, equality, and positive change continues to inspire their school and community today.

Students ages 8-17 are invited to design a one-of-a-kind jersey, sneaker, or poster that represents:

- Social justice
- Equality
- Positive change in their school or community

Their design should reflect the powerful values that Jackie Robinson stood for and show how young people today can continue that impact.

Three student winners will be selected! Each winner will receive 4 Club Level tickets to the Brewers game on April 15th (plus more).

Submission Deadline: April 6th at 10:00 AM

How to Enter: Submit a student's design online here: brewers.com/jackierobinson
